	Product	Use	Description	Pack Size	Pack
MULTI-PURPOSE	DAMPSHIELD	To stop rising & penetrating damp on walls.	Dulux Dampshield is the quick & effective way to paint over damp interior & exterior walls. It utilises water-based technology that allows the product to be applied to a damp substrate containing up to 50% moisture, providing a sound foundation for long-lasting paintwork. Dampshield has a matt white finish that can be overcoated with most Dulux decorative finishes.	1L 5L 20L	
	SMOOTHOVER	A skimming plaster to give a perfectly smooth weatherproof finish to uneven walls &/or uneven plaster.	Dulux SmoothOver is the easy way to give a perfectly smooth, weatherproof finish to rough &/or uneven plaster. Ready mixed for easy use, it will skim up to 5mm thick & is specially formulated to adhere strongly to plaster. Simply skim it on & smooth it off; it will set hard within 4 hours to a white, weatherproof & alkali-resistant finish that does not need to be primed before painting. Given the complexity of the task, we recommend professional application. Refer to product technical data sheet. • Only available in white	1.5KG 4KG 18KG 35KG	
	MULTI-PURPOSE CRACKFILLER	The ideal versatile filler suitable for a variety of jobs.	Dulux Multipurpose Crackfiller is a tough & versatile filler that is suitable for all exterior & interior filling jobs up to 5mm. It sets in 60 minutes to a white & weatherproof finish that will not shrink or crack.	500G 2KG 10KG	
	MULTI-PURPOSE CRACKFILLER READY MIXED	The ideal ready mixed versatile filler suitable for a variety of jobs.	Dulux Multipurpose Crackfiller is a tough & versatile filler that is suitable for all exterior & interior filling jobs up to 5mm. It sets in 60 minutes to a white & weatherproof finish that will not shrink or crack.	500G 2KG	
	QUICK SETTING CEMENT	The quick way to repair any masonry surface.	Dulux Quick Setting Cement is the quick way to repair any masonry surface - it sets rock hard in 10 minutes. Ideal for resetting bolts & brackets, it sets underwater, making it perfect for repairing drains & pool surrounds.	1KG 2KG	
	EXPANDING FOAM	Ideal for filling & sealing awkward gaps, hollows & cavities.	Dulux Expanding Foam is ideal for filling & sealing awkward gaps, hollows & cavities. It dispenses liquid foam deep into cavities & insulates against heat, sound & moisture. It can be easily trimmed & sanded - ready to be painted, filled or plastered.	825ML	
INTERIOR	INTERIOR CRACKFILLER	The ideal versatile filler suitable for a variety of interior jobs.	Dulux Interior Crackfiller easily mixes to a smooth, creamy consistency. It is an ideal versatile filler suitable for a variety of jobs, including large areas up to 5mm deep. Special binders give excellent adhesion & a lasting fill that will not shrink or crack.	500G 2KG 10KG	
CLEANERS	BRUSH CLEANER DEGREASER	The easiest way to get brushes clean.	Dulux Brush Cleaner Degreaser is the easiest way to get brushes & rollers really clean with no mess or paint residue. Its powerful paint softening solvents remove all traces of paint without harming the bristles, better than turps or thinners. Suitable for most household paints & varnishes.	500ML 1L	
	SUGAR SOAP	A powerful cleaner designed for use on painted surfaces prior to redecoration.	Dulux sugar soap powder is a powerful pre-paint cleaner suitable for preparing any painted surface, be it a wall or ceiling. It degreases the surface & creates a "key" to promote adhesion & give a better paint finish.	500G

QUALITY GUARANTEE

TO REGISTER visit duluxguarantee.co.za or call **0860 330 111**
Products must be registered within 30 days of purchase.

Colour references are as accurate as modern printing will allow. Please refer to the in-store stripe cards/standard card, or on-shelf colour displays for an accurate representation of the colour.

Among others, the following factors may affect final colour appearance: product sheen and texture, colour and light reflections, application, surface texture and preparation.

For best colour and sheen consistency, it is advisable to use containers of the same batch number, to mix different batches together in a large container, or to finish in a corner before starting a new container.

Dulux Paints have been specially developed to offer a high quality range that will provide a long lasting professional finish.
